Welcome to New Manna International Ministries, where the guiding force behind our spiritual journey is none other than the visionary founder, Apostle Paul Yesani.

Born with a divine calling and an unwavering passion for spreading the word of God, Apostle Paul has dedicated his life to building a community grounded in faith, love, and grace. Apostle Paul Yesani is not only a spiritual leader but also a devoted family man. He shares a blessed marriage with Hellen Chikondi Yesani, and together, they are proud parents of four wonderful children. Beyond his spiritual endeavors, Apostle Paul is a dynamic entrepreneur, demonstrating that a life filled with faith can coexist harmoniously with success in the business world. With a commitment to reaching hearts far and wide, Apostle Paul Yesani embarks on extensive travels, sharing the teachings of the Gospel. His mission goes beyond the borders of Malawi, touching the lives of those in Mozambique and beyond. Through his powerful and inspiring messages, Apostle Paul strives to uplift souls, fostering a deep connection with the divine.
